

Paradise

Paradise has two gates of carbuncle,
And sixty myriads of ministering angels,
To keep watch over them,
Each angel shines with lustre of the heavens,
When a just man approaches them,
They divest him of his clothes,
That he had been buried with,
And clothe him with cloths woven,
Out of clouds of glory,
They place upon his head two crowns,
One made of precious stones and pearls,
The other made of gold,
They say to him,
Go and eat your bread with joy,
They lead him to a pace full of rivers,
Each one has a canopy according to his merits,
For over all the glory shall a canopy be spread,
And through it flows four rivers,
One of oil, the other of balsam,
The third of wine and the fourth of honey,
Go and eat with joy of the honey,
For you have worked assiduously in the law,
Of which it is said, it is sweeter than honey,

And drink of the wine preserved,
From the six days of creation,
For you worked in the law,
As it is said, I would cause you,
To drink of spiced wine,
There is no night in heaven,
As it is said, the light of the righteous,
Is as the shining light,
The Tree of Life stands in the middle,
And overshadows the whole paradise,
Over it hang seven clouds of glory,
Underneath it sit the scholars,
Who explain the law,
These have each two canopies,
One of stars and the other,
Of sun and moon,
As it is said, that I may cause those,
That love Me to inherit substance,
For all that put their trust in You,
Rejoice and they shout joy for ever,
God Almighty sits in their midst,
And expounds to them the law,
As it is said, Mine eyes shall be upon the faithful,
Of the land that they may dwell with Me,

God has not yet fully unveiled,
 The glory which awaits the pious,
 As it is said, the eye has not seen,
 O God, beside Thee,
 That which You work for him,
 That waits upon Thee,
 The Lord reigns forever and ever,
 Holy, Holy, Holy is the Lord of hosts,
 And the Lord shall be King over all,
 In that day shall the Lord be one,
 And His name One.

Happiness

The souls of the righteous are forever,
 Free from misery which is above all sin,
 The Blessed God first made all,
 Things happy like Himself,
 Sin makes people captive against their will,
 Who shall deliver me?
 When saints lay their bodies down,
 They are like a bird loosed from its cage,
 Death is swallowed up in victory,
 The bright souls are presented to,
 The Father by Jesus as a holy bride,

In paradise we are free from all temptations,
We are free from punishment,
After death hell confines sinners to eternal misery,
Love is perfect and,
Perfect love cast out fear,
We love God more than ourselves,
And one another like ourselves,
We enjoy the perfection of all grace,
We can now conceive the simplicity,
And purity of God throughout eternity,
We understand His decrees and providences,
From eternity God is sole existing,
But never solitary and the Godhead undivided,
The happiness of saints in heaven remains,
Incomplete till their bodies be resurrected,
And reunited with their souls,
Pure from all corruption but have substance,
As Christ ate fish after raising Himself,
Corruption shall put on incorruption,
Mortality made to become immortality,
Blessed God being immortal,
From eternity unto eternity,
From everlasting to everlasting,
He is holy and there is,

None good but God,
None righteous, none merciful but Him,
The more we see Him,
The more we love Him,
Love changes our souls into His nature,
And from this results our glory,
The happiness and glory which,
The blessed souls enjoy is,
The result of their communion and love,
To the ever Blessed God,
Those that have most large
Capacity to love God,
Are changed most to His Likeness,
This is the highest glory heaven can give,
Behold the sight of the,
Blessed Lamb of God, the glorious Savior,
We see Him in His Kingly office,
On account of which He is called,
KING OF KINGS AND LORD OF LORDS,
All the glory and fragrance of our,
Blessed redeemer makes His,
Kindness more precious,
It makes heaven more than heaven,
To find Him rejoicing who suffered,

Much for me in the world below,
The Lord reigns forever and ever,
Holy, Holy, Holy is the Lord of hosts,
And the Lord shall be King over all,
In that day shall the Lord be one,
And His name One.

Sabbath

It is our meat and drink,
To do the will of God and the Lamb,
And to sing His praises,
To serve Him with humble adoration,
Blessing and honor, glory and power,
To Him that sitteth upon the throne,
And to the Lamb for ever and ever,
For He has redeemed us unto God,
By His holy blood,
Out of every kindred and tongue,
People and nation
He has made us kings and priests,
Unto our God,
Glory for ever be given to Him,
That sits on the throne,
And to the Lamb for His unbounding,

Goodness to the weakness of wretched sinners,
Ever blessed and adorable God,
Our vision of Him is forever new,
For as divine perfection is infinite,
Nothing less than eternity can,
Be sufficient to display the glory,
This makes our happiness eternally added to,
As well as our knowledge of Him,
To be eternally progressive,
Though the ear of man has heard,
Many harmonious delightful sounds,
Yet he has never heard the melodies,
That saints and angels make before the throne,
Eyes has not seen, nor ears heard,
Neither has it entered into the,
Heart of man to conceive what God,
Has prepared for them that love Him,
The Lord is sitteth on His very high throne,
On the tenth heaven is God sitteth,
Where He is called Aravat,
God said to Adam:
You were taken from the earth and,
Into the earth you shall return,
I will never ruin thee but send you,

From whence I took you,
Then I can again take you at My second coming,
I bless all My creatures and,
I bless the seventh day,
This is the Sabbath,
Which He rested from all His works,
And I appointed the eighth day also,
To be the first-created after My work,
The first seven revolve in the form,
Seventh thousand and at the beginning,
Of the eighth thousand there should be,
A time of endless eternity,
The Lord reigns forever and ever,
Holy, Holy, Holy is the Lord of hosts,
And the Lord shall be King over all,
In that day shall the Lord be one,
And His name One.

Creation

The sun has peace in itself,
While I found no peace,
Because I was creating all things,
I conceived the thought of placing foundations,
And of creating visible creations,

Holy, Holy, Holy, is the Lord,
Ruler of Sabaoth,
Heaven and earth are full of Your glory,
I commanded that visible things should come,
Forth from the invisible,
Adoil came down very great,
Be undone, Adoil, and let the visible come out of you,
A great light came out and,
I was in the midst of the great light,
As there is born light from light,
A great age came forth and,
Showed all creation which,
I had thought to create,
And I saw that it was good,
I place a throne for Myself,
And took a seat on it,
I said to the light:
Go up higher and fix,
Yourself high above the throne,
Be a foundation to the highest things,
Above the light there is nothing else,
Holy, Holy, Holy, is the Lord,
Ruler of Sabaoth,
Heaven and earth are full of Your glory,

I summoned a second time
Let Archas come forth,
Be opened up and let there be born from you,
I saw that it was good,
Go down below and make yourself firm,
Be a foundation for the lower things,
Below the darkness there is nothing else,
Holy, Holy, Holy, is the Lord,
Ruler of Sabaoth,
Heaven and earth are full of Your glory,
I commanded that there should,
Be taken from light and darkness,
Be thou thick and I spread it out,
With the light and it became water,
I spread it out over the darkness below the light,
I made the waters firm,
I saw that it was good,
I said to the light that it should be day,
And to darkness that it should be night,
Holy, Holy, Holy, is the Lord,
Ruler of Sabaoth,
Heaven and earth are full of Your glory,
I made firm the heavenly circle and made,
The lower water under heaven,

To collect itself together,
That the chaos became dry,
Out of the waves I created rock,
I piled up the dry and called it earth,
I collected the sea in one place and bound it together with a yoke,
I said to the sea: behold I give you,
Your eternal limits and you shall,
Never break loose from your component parts,
Holy, Holy, Holy, is the Lord,
Ruler of Sabaoth,
Heaven and earth are full of Your glory,
For all the heavenly troops I imaged,
The image and essence of fire,
From the gleam of My eye,
The lightning received its wonderful nature,
Which is fire in water and water in fire,
Lightning is brighter than sun,
Softer than water and firmer than hard rock,
From the rock I cut out great fire,
From the fire I created orders of,
Incorporate ten troops of angels,
Their raiment is a burning flame,
And their weapons are fiery,
I commanded each to stand in his order,

Holy, Holy, Holy, is the Lord,

Ruler of Sabaoth,

Heaven and earth are full of Your glory,

I commanded the earth to grow great,

And fruitful trees and seed to sow,

I planted paradise, enclosed it and placed,

Flaming angels as armed guardians,

Holy, Holy, Holy, is the Lord,

Ruler of Sabaoth,

Heaven and earth are full of Your glory,

I commanded that there should be,

Great lights on the heavenly circles,

I placed the sun for the illumination of day,

Moon and stars for the illumination of night,

Holy, Holy, Holy, is the Lord,

Ruler of Sabaoth,

Heaven and earth are full of Your glory,

I commanded the sea to bring forth fishes,

Feathered birds of many varieties,

All animals creeping over the earth,

Going forth on four legs and soaring in the air,

Male and female I created them,

Every soul breathing the spirit of life,

Holy, Holy, Holy, is the Lord,

Ruler of Sabaoth,
Heaven and earth are full of Your glory,
The Lord reigns forever and ever,
Holy, Holy, Holy is the Lord of hosts,
And the Lord shall be King over all,
In that day shall the Lord be one,
And His name One.

Rewards

Lay thought on your heart,
Mark well the words of your father,
Which come from the Lord's lips,
You shall not sin against the Lord,
Because there is no other except Him,
Neither in heaven nor on earth,
Nor in the very lowest places,
The Lord placed the foundations in the unknown,
He has spread forth heaven visible and invisible,
He fixed the earth on the waters,
And created countless creatures,
Who has counted the dust of the earth,
Or sand in the sea or drops of rain?
Who has filled the earth and sea?
I cut the stars out of fire,

I decorated heaven and put it in their midst,
The sun goes along seven heavenly circles,
It has two thrones on which it rests,
Revolving hither and thither above,
The thrones of the month,
Sun goes close to the earth and,
Makes it grow its fruits,
When it goes away, the earth is sad,
Trees and all fruits have no florescence,
From the invisible He made all things visible,
Himself being invisible,
Have the sense to fear God,
And love Him more than anything,
Those who understand not the Lord,
Will not fear God,
A terrible judgement awaits them,
Blessed is the man who shall,
Bear his yoke and drag it along,
For he shall be released on,
The day of the great judgement,
Deceive not yourselves,
For there has been prepared,
A place for every soul of man,
And a measure fixed how,

Much it is intended that,
A man be tried in this world,
Endure for the sake of the Lord,
Every injury and attack,
Return them not to either neighbor or enemy,
The Lord will return them for you and,
Be your avenger on the day,
Of the great judgement,
Whoever spends money for his neighbor's sake,
Shall receive ample treasure in the world to come,
Help the faithful man in affliction,
And affliction will not find you,
In the time of your trouble,
Stretch out your hand to the poor,
According to your strength,
Every breathing thing glorifies Him,
And every creature visible and invisible,
Return Him praise,
The Lord reigns forever and ever,
Holy, Holy, Holy is the Lord of hosts,
And the Lord shall be King over all,
In that day shall the Lord be one,
And His name One.

Throne Of Glory

Eternal light, Eternal light,

How pure that Soul must be,

When bright within your searching sight,

It shrinks not, but with calm delight,

It lives and looks on you,

His all-seeing eyes are eyes of love,

His greatness you can never know,

You can see Him seated on His throne,

But His Almighty Spirit is everywhere,

His creative skills lack no knowledge,

His everlasting energy knows no fatigue,

He is never weary in upholding all His works,

His all-hearing ear listens to all rightful offered prayers,

His omniscient eye sees everything,

His all-powerful hands are quick to bless,

His will simply become almighty Law,

Our Lord Jesus who reigns both in heaven,

And on earth has His seat on the throne,

With His Father for He overcame and,

Forever has His seat on the throne,

He was received up into glory,

And sat on the right hand of God,

O my God, my Father, I praise You forever,

Forever thinking of me,
An unworthy mortal man and,
Bringing me to this exceeding glory,
Worthy are You our Lord and,
Our God to receive the glory,
Honor and power for You did,
Create all things and because of,
Your Will, they are and were created,
Salvation to our God and to the Lamb,
Who sit upon the throne,
Very great is the Lord's throne,
Not made with hands,
Nor the quality of them standing round Him,
Troops of cherubim and seraphim,
Nor their incessant singing,
Nor His immutable beauty,
Have courage, fear not,
Arise and stand before My face into eternity,
I am honored to work with the Son,
Who rules from the white throne,
The earth shall be rent,
An innumerable multitude of angels,
Shall come down to the earth,
The treasures of heaven shall be opened,

And they will bring down,
Precious thing and perfume of incense,
And they shall bring down,
Jerusalem robed like a bride,
And they shall go before Me,
Myriads of angels and archangels,
Bearing My throne and singing,
Holy, Holy, Holy Lord of Sabaoth,
Heaven and earth are full of Your glory,
The Lord reigns forever and ever,
Holy, Holy, Holy is the Lord of hosts,
And the Lord shall be King over all,
In that day shall the Lord be one,
And His name One.

Seven seals

I shall come forth with power and great glory,
Every eye shall see Me in the clouds,
Every knee shall bow,
All things in heaven, on earth and under the earth,
Righteous John sees a Lamb having seven eyes and seven horns,
The Lord said: I will bid the Lamb to come before Me,
And say, Who shall open this book?

Multitudes of angels shall answer,
Give the book to the Lamb to open it,
When He shall open the first seal,
Stars of heaven shall fall,
When He shall open the second seal,
Moon shall be hidden and there shall be no light in her,
When He shall open the third seal,
The light of the sun shall be withheld,
When He shall open the fourth seal,
Heaven shall be dissolved and,
The air thrown into utter confusion,
As says the prophet: The heavens,
Are the works of Your hands,
They shall perish but You endure,
They shall wax old as a garment,
When He shall open the fifth seal,
The earth shall be rent and,
All tribunals upon the face of the earth shall be revealed,
When He shall open the sixth seal,
Half of the sea shall disappear,
When He shall open the seventh seal,
Hades shall be uncovered,
Let the sinners be turned to hades,
And all the nations that forget God,

They were put in hell like sheep,
And death shall be their shepherd,
All I want is to live within Your love,
Am surrounded by Your love and affection,
You have all my attention,
I will sit here and listen,
Send me to warn sinners,
You are the fire in the morning,
You are the cool in the evening,
O Lord, my God: I surrender all,
I open my heart to You,
Lord, You stand in the deepest deep,
So that mountains never sink under the waters,
You are under the waters,
So that the waters never sink under fire and sulphur,
You stand under the fire and sulphur,
So that fire and sulphur never sink under wind and fogs,
God, You stand under wind and fogs,
So that the wind and the fogs never sink under darkness,
You stand under the deepest darkness,
And under the abysses,
Everything comes to You as a place of refuge,
Lord, You are master of everything,
You are above the cherub of cherubim,

You are praised everlastingly by angels and holy men,
Lord, you are above the heights of heaven,
Nothing can be hidden from You and,
You are seated above the tenth heaven,
The Lord reigns forever and ever,
Holy, Holy, Holy is the Lord of hosts,
And the Lord shall be King over all,
In that day shall the Lord be one,
And His name One.

Eternal Love

You are the God of perfect peace,
My Lord and King,
I honor You for there is none greater,
All the glory and honor belongs to You only,
Your name is holy,
Hely, Hely, rama zabachthani,
My redeemer was tortured and murdered,
Our only hope of eternal glory,
How much have I learnt to love Father God?
How remarkable is my love for Yeshua?
How great my admiration for the Holy Spirit?
The Spirit of God,
How can I ever repay God for,

The amazing grace and compassion,
He has shown me,
I want to sing Him song of praise,
I want to love Him as long as I live,
He gave us His Beloved,
The apple of His eye,
As a ransom on the cross,
For us to live and one day,
Experience the New Jerusalem,
To be with Yeshua Hamashiac,
The Darling of heaven,
The heir of everything,
What more can we desire,
Than to sit at His feet,
And touch His nail marks,
I honor Jesus for being a sacrificial lamb,
I thank You for Your precious blood,
Spilled to erase mine iniquities,
And remove them far away,
That God never recognize them anymore,
O Mighty Father in heaven,
There is none like You, my God,
Your incredible love and compassion,
Surpasses all understanding and comprehension,

I can never determine the depth,
Nor height of Your unfailing love,
Fill my heart with Your eternal love,
And there is more than enough for everyone,
Your love can never run out,
I honor You Lord for who You are,
Remove scales from their eyes,
Remove the veils of their darkest minds,
So that they can discover the wonders,
Of Your love and grace,
Be merciful to sinners before it is too late,
Jesus said: Only when they accept,
My grace can I save them,
People reject the Beloved's love,
By their own free will,
Out of choice they refuse to open,
The door of their hearts when You knock,
I was with Daniel in the den,
I was with Jonah in the belly of the fish,
I was with Joseph in prison,
I was with Abraham in the fiery furnace,
I was with Jeremiah in the well fed by the lake,
I was with Moses in prison,
I will never forsake you,

The Lord reigns forever and ever,
Holy, Holy, Holy is the Lord of hosts,
And the Lord shall be King over all,
In that day shall the Lord be one,
And His name One.

Work With God

There is no God but You, our Father,
The source of all that be,
Let us draw near the rays of Your supreme light,
O lord of life we pursue righteousness,
And seek refuge in the Blood of our Lord,
Let Your Holy Spirit dwell upon the altar of our hearts,
God, You are Life of my life,
You are the Mind of my mind,
You are the Substance of my flesh,
O my Lord let me see You in all manifestations,
Let me be conscious of Your perfection in me,
The limitless power of the Lord of the universe,
Convince me to bear witness of His glory,
To the faithful and the faithless,
I will the story of the redeemer of the oppressed,
By mercy and grace of the Almighty God,
I am a child of light,

O Lord of the world you have ordained ministers,
To serve in the tabernacle of righteousness,
Before Your glorious throne,
Behold I have laid the foundation of a new world,
To bring forth the fruit of righteousness,
Blessed are they who walk in My narrow path,
Who never impede others from waking in My freedom,
For they are free in all realms of life,
I want you to walk with Me,
Work with Me and not for Me unto eternity,
I realize that there is a difference between,
Working for God and working with God,
Working or walking with the Lord,
Is the same in essence,
Ask Enoch and Elijah,
They can tell you,
The harvest is plentiful but laborers are few,
The few laborers I spoke of are,
Those who work with My Spirit,
Great men of God thought that,
They were working for God but,
They failed as far as working,
With the Lord is concerned,
When a man works for God,

He is nothing but a hired servant,
There is no deeper portion in,
The realm of the Spirit of God,
Work with Me and I work with You, O son of man,
When the work of the Lord you God becomes your work,
Then My right hand will uphold you,
As a true messenger of the kingdom of God,
O Lord my God:
I want to work successfully with You on earth and in heaven,
All the days of my life and into all eternity for ever,
I want to live the life of a righteous man,
And die the death of a righteous man,
Or take me up in Your advent,
Like Joseph who helped his brethren,
And the whole earth from famine by Your Might,
Like David who herded sheep in the desert,
God my King You said unto David:
You will be a shepherd over the house of Jacob,
Since you led well the sheep I entrusted to You,
David tended Jesse's sheep, he was exalted,
Moses tended Jethro's sheep, he was exalted,
Jacob tended Laban's sheep, he was exalted,
Abel was a shepherd, he was exalted,
Work with God not for God,

You seek a means of livelihood,
You seek to work for the stomach,
Rise in Spirit and work with Me,
For all work done in love is My work,
Be ye holy for the Lord is holy,
Not the holiness that is sweet in the mouth,
But bitter in the belly,
The Lord reigns forever and ever,
Holy, Holy, Holy is the Lord of hosts,
And the Lord shall be King over all,
In that day shall the Lord be one,
And His name One.

Eternity

The Lord God Almighty has two infinite aspects in eternity,
The first side is the core aspect which is unmanifest,
It is beyond manifestation in any realm of eternity,
This core aspect holds the mystery of eternity,
The mystery transcends the knowledge of every creature,
In all the realms of existence,
No matter how great an angel can be,
He can nothing and say nothing,
About this sole ultimate core of the Godhead,
The knowledge of multidimensional core of,

The Lord God is completely beyond manifestation,
It belongs only to Ahyh the Eternal One,
What is not known about God by every living creature is,
More than what is known and,
What would be known of Him in all eternity,
The second side of God is His aspect of external reality,
Through this aspect, the personality of the Godhead is,
For ever revealed to archangels, arch spirits, cherubims,
Angels, men and to mention but a few,
It is through this second aspect that the Lord,
The personality of Godhead manifests,
From time to time in different realms of existence,
It is only when He manifests that He can be seen,
His manifestations are limitless in different forms,
The scripture verse that holds:
No man has seen God at any time refers to,
The core aspect that is beyond manifestation,
Which in eternity can never be known or seen,
Jesus said: I am the mystery of the beginningness of God,
I am the end and the endless,
Behold I am neither male nor female,
Yet I am both and beyond,
Within the eternal vastness of,
My Almighty Omnipresence,

I relate with mankind and,
Give man the grace to relate with Me,
I am the supreme father of all,
I am far beyond all you know of My manifestation,
I hold the keys of Life in known and unknown realms,
And he who comes to me is free in eternity,
Manifestation of Myself as,
The Son of Most High is from the everlasting,
Lord Jesus is the perfect fill strength of,
The Seven Spirits of God in total consummation,
Jesus is the perfect God,
Perfect Son of God,
Perfect Son of man,
I am the Son, who gave My life for,
The sins of the world,
I am the Father, the owner of the vineyard,
I am coming at the fullness of time,
On earth to bring forth judgement,
He who ears to hear let him hear,
I control all things while I am beyond control,
From eternity to eternity You remain to be God,
The power of Almighty God is magnified,
Your light and glory is beautiful beyond words,
Your love spreads to eternity,

Your knowledge astonishes and,
Leaves my mouth wide open,
Your righteousness is my cover,
Your Kingdom is decorated harmoniously,
You are never confined to time nor space,
For all eternity we shall live in Your Kingdom,
The human concepts of forms and personality,
Are greatly limited to contain and comprehend,
The endless facets of My infinite existence,
I am a portion of each human being and every living creature,
Lord Ruler of Sabaoth,
I experience You through my existence,
In every moment of my life,
The Lord Eternal is never cheap to be,
Bought in the market by everyone,
Faith cometh by hearing,
Job heard of the Lord through many ways,
And his faith increased even by hearing,
But when he finally saw the Lord of Hosts,
His spiritual awareness beyond the realm of,
Mere hearing from others,
Thus he wrote: I have heard of Thee by,
The hearing of the ear but now my eyes sees Thee,
Wherefore I abhor myself and,

Repent in dust and ashes,

Lord You are holy,

Lord You are perfect,

Lord You are wise,

Lord You are awesome,

Lord You are merciful,

Lord You are long suffering,

Lord You are marvelous,

The Lord reigns forever and ever,

Holy, Holy, Holy is the Lord of hosts,

And the Lord shall be King over all,

In that day shall the Lord be one,

And His name One.

Seven Spirits

Each of the Seven Great Spirits is supreme,

And they are mighty powers of the Almighty God,

By them I, even I, created all there is,

By them I created the seven major systems of reality,

Which are within the four major realms of existence,

Each had manifested and lived on earth as human,

I was known as Jesus Christ in,

The full combined strength of the seven spirits,

Having neither beginning of days nor end of life,

I revealed Myself among men as the Son of God,
Behold, I am God for ever,
When My Spirit takes a human form among men,
Such Divine Manifestation lives and works,
For ever in the pool of My Universal Spirit,
Melchizedek abideth a priest continually,
He came on earth as a messenger of righteousness,
Who prospered in the world of men,
Enoch stood as a prophet but,
He was more than a prophet to Me,
The words of the Lord my God became established,
Upon the rock beyond the circle of the sun,
Enoch in his time was the living seal and,
The symbol of Almighty God on earth,
Through Elijah the Omnipotence of the true God,
Was established in his time over the messengers of darkness,
Over the idols of the children of men,
Adam was set apart to dominate and rule the earth,
By breathing My Spirit into Adam,
He became a manifestation of My Spirit,
The projected drama of the fall of man was not,
Unknown to Me but disguised to enrich,
The systems of My creation,
Isaac was set apart as My chosen,

It ceased to be with Sarah after the manner of women,
I will return unto thee and Sarah,
Thy wife shall have a son,
Isaac answered and said unto Esau:
Behold I have made him thy lord,
And all his brethren have I given to him for servants,
And with corn and wine have I sustained him,
What shall I do now unto thee, my son?
Behold, Noah was another manifestation,
Of the Spirit of God,
Noah was a just and perfect man in his generation,
And Noah walked with God,
For all have sinned and fallen short of the glory,
Noah was sent forth from the realm of the highest,
And set apart to save the world in his time,
Consider how great Moses was before your God,
Moses was set apart to operate on earth even as God,
The Lord said unto Moses: See I made thee a god to Pharaoh,
And Aaron thy brother shall be thy prophet,
John the prophet was the portion of the,
Seven Spirits that came as Elijah,
Of a truth, the Spirit of your Lord that became Adam,
At the same time became Abel,
The seed of righteousness,

The portion of My Spirit that was Enoch,
Later returned to the earth as Joseph,
Daniel was the Portion of My Spirit,
That first came as Melchizedek,
Job was the portion that had come as Noah,
Protoplast was created by My Seven Spirit,
Earth was created by My Seven Spirit,
Plant was created by My Seven Spirit,
Beast was created by My Seven Spirit,
Man was created by My Seven Spirit,
Angels were created by My Seven Spirit,
Cherubims were created by My Seven Spirits,
The Lord reigns forever and ever,
Holy, Holy, Holy is the Lord of hosts,
And the Lord shall be King over all,
In that day shall the Lord be one,
And His name One.

Virgin Birth

Your works are full of truth,
Your ways are full of joy and rejoicing,
The rewards of imperishability and truth,
Are for those who know the Eternal God,
In wisdom of knowledge for He knows all things,

Blessed are the souls because,
They know God with the knowledge of truth,
They shall live for ever and ever,
Because they were never corrupted by their desires,
But they have stood in His holy presence,
Glory for God has redeemed my soul,
From the day of judgement,
It will be the most decisive and solitary,
Moment you will ever face,
This is the moment I should care about,
This is the moment that should consume my life,
This is the moment I should prepare for,
My encounter with Him,
The whole creation is under the authority of death,
But those who reflect upon the knowledge,
Of the Eternal and merciful God,
In their hearts will never perish,
My Redeemer, receive glory and power,
He came to the bosom of His mother,
He came from a great prophet,
And a bird took the child,
He was nourished by the bird of heaven,
Arise! God has given glory unto You,
Receive glory and strength,

He came from a virgin womb,
He was brought to a desert place,
And was nourished there,
The virgin was pregnant,
And gave birth to the Savior,
He received glory and power,
From the seed from which He was begotten,
He came from a drop from heaven,
Receive glory and power,
The angels of the flower garden nourished Him,
Receive glory and power,
The Spirit came upon Him and brought Him,
On high to the place where the drop came forth,
Receive glory and power,
A cloud came upon the earth and enveloped the Rock,
The angels above the cloud nourished Him,
Receive glory and power,
She conceived by the Holy Spirit,
Receive glory and power,
He begot Him in His hand,
And cast upon the cloud above Him,
Some of the drop and He was born,
Receive glory and power,
She was pregnant by the power of the Holy Spirit,

Receive glory and power,

The birth of our ruler is a Word,

This Word received a mandate,

Receive glory and power,

He came from two illuminators and was nourished there,

Receive glory and power,

He made the generations of those men,

Who He had chosen for Himself shine,

So that they could shine upon the whole earth,

Receive glory and power,

O Lord, teach me a word of,

Knowledge of the Eternal God,

The Lord reigns forever and ever,

Holy, Holy, Holy is the Lord of hosts,

And the Lord shall be King over all,

In that day shall the Lord be one,

And His name One.
